

Telemedicine Resources

- **American Medical Association. *Telehealth Implementation Playbook*.** <https://www.ama-assn.org/practice-management/digital/ama-quick-guide-telemedicine-practice>.

This Playbook includes research on how to implement telehealth efficiently and effectively, including key steps, best practices, and additional resources.

- **Center for Connected Health Policy (CCHP).** <https://www.cchpca.org/>

CCHP researches and analyzes telehealth policy issues, engages public and private sectors through analyses and reports, and provides national and state-level telehealth policy resources.

- **Center for Connected Health Policy's (CCHP) COVID 19 Telehealth Policies.** <https://www.cchpca.org/resources/covid-19-telehealth-coverage-policies>

Summary of telehealth policy changes updates to Medicare, Medicaid, and private coverage for telemedicine during Covid-19 and federal policy changes. This is a living document CCHP updates as new information and policies become available in response to the evolving situation.

- **Center for Telehealth and e-Health Law.** <http://ctel.org/>.

Provides resources concerning digital health legal, regulatory, and policy compliance.

- **Federation of State Medical Boards (FSMB).** <https://www.fsmb.org/>.

Supports state medical boards in licensing, disciplining, and regulating physicians and other healthcare professionals.

- **Federation of State Medical Boards' (FSMB) State Licensure Requirements in response to COVID 19.** <https://www.fsmb.org/siteassets/advocacy/pdf/states-waiving-licensure-requirements-for-telehealth-in-response-to-covid-19.pdf>

Resource for state specific questions related to telemedicine licensure requirements. Updated to include modifications by state and territory in Covid-19 response, including citation links. Can be found on CCHP's Telehealth Policy site as well.

- **Health Resources & Services Administration. *Telehealth Resource Centers (TRCs)*.** <https://www.hrsa.gov/rural-health/telehealth/resource-centers>.

Telehealth Resource Centers (TRCs) are regional centers that provide technical assistance to the providers within their region.

- **HHS Notification of HIPAA Relaxation for Telemedicine During Covid-19 PHE.** <https://www.hhs.gov/hipaa/for-professionals/special-topics/emergency-preparedness/notification-enforcement-discretion-telehealth/index.html>

Official announcement from HHS outlining relaxed enforcement of HIPAA, allowing providers to use some non-HIPAA compliant communication platforms during Covid-19 response.

- **Northwest Regional Telehealth Resource Center (NRTRC).** <https://nrtrc.org/>.

Provides technical assistance, program support, education and information in their seven-state region: Alaska, Idaho, Montana, Oregon, Utah, Washington, and Wyoming.
